

Practice Statement – COVID 19

Monday 23rd March 2020

It is with regret that we have decided to close our practice reception to all patients/visitors to the practice from Monday 23rd March 2020. You can contact the practice on the telephone number 0161 490 2293.

Our GPs, Clinical and admin staff have been working really hard to ensure we continue to provide the best and safe healthcare services to our patients in the current climate.

We hope you will understand and support us in this decision and in return we will be contacting all patients who make contact with us either by phone or if necessary a video link from a clinician.

Please respect that this decision has not been made lightly and hope you understand that this is in the interests of all of staff on the frontline who will of course be continuing to be work the background.

All prescription requests can be made via online or if you have you have handed you will be telephoned to ask for your preferred chemist to collect for future ordering and collection

Thank you
